## Lyrics

My Love

I haven't seen you for a while  
Guess you didn't have the time  
I hope and pray  
that everything's alright

So I

thought I'd better drop a line  
hope you'll check your mail in time  
'cause all I do  
is count the days go by

You better wake me when you come  
I don't care where you're coming from  
You come and go  
You're so mysterious

My Love

My best friend says you're not for real  
You're only living in my dreams  
but I'm sure last night  
I was your only love

You better wake me when you go  
Don't let me face the dawn alone  
Please don't say  
It's all too serious

Mysterious

(4x)

You better wake me when you go  
Don't let me face the dawn alone  
Please don't say  
It's all too serious

From time to time I see your face  
then you disappear without a trace  
You come and go  
You're so mysterious

Mysterious

(4x)
